Re: Letter of Credit # 128 – Links Water Treatment

Dear Ms. Boyd:

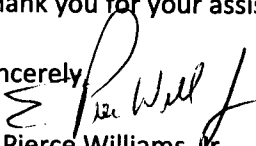

There has been some confusion regarding the above referenced letter of credit. We are in receipt now of a PSC of SC Commission Directive dated October 9, 2013. The commission action moves that Links Water Treatment LLC's letter of credit be released.

With this document, and the fact the letter of credit has already matured, we consider the letter of credit expired, with no further obligation to honor any drafts.

Should you be able to locate the original, we respectfully ask you to send that back to Greer State Bank, as we customarily request.

Thank you for your assistance.

Sincerely,

  
E. Pierce Williams, Jr.
